Fax: (585) 243-9190
E-mail: village@geneseony.org

The Village of Geneseo has a number of factors making parking spaces in the Main Street business district difficult to find. Our response has been to install parking meters in order to encourage parking turn over

Enforcement of parking regulations is one way the Village can assure parking is available for customers of Main Street businesses .

We seek your cooperation in keeping Main Street a thriving business district.

The Village Parking Committee
