**CALL TO ORDER AND ATTENDANCE:**

The Chair, Robert Harris, called the April work meeting to order at 7:00 PM.

Chair Harris extended an invitation to Gary Mix to join the group since he is a member of the Traffic & Pedestrian Safety Committee, which was established by both the Town and Village Boards. Gary Mix gave a brief history of the committee and presented a matrix that will serve as a fluid document to prioritize needs. The committee has assessed the Active Transportation Plan and the Village Steering Committee survey. Moreover, they are collaborating with the Department of Transportation, Livingston County Planning Board, Suny Geneseo, Senator Helming, and Assemblywoman Byrnes to work towards their goals. The committee discussed improvements to intersections, sidewalks, crosswalks, and speed limits.

The Planning Board discussed various transportation improvements, including sidewalk connectivity, bicycle infrastructure, electric vehicle charging stations, speed limit reductions, and roundabouts.

**ADJOURNMENT:**

With no other business or announcements, Chair Harris requested a motion for adjournment.

**Member Shepard made a motion to adjourn at 8:25 PM.**

**Member Maxwell seconded the motion.**
